## **Terms and Conditions**

1. There are limited places available so a selection process may occur. For this process Woden Youth Centre requires a recorded song from performers/bands. This can be in the format of a tape or mobile phone recording or by providing a myspace page where your music can be viewed. This does not require a professional recording. Woden Youth Centre will inform successful applicants by the 2<sup>nd</sup> October.
2. Performers will need to provide their own instruments.
3. All performers agree to be photographed and/or video recorded for promotional purposes. A parent/guardian must authorise photographic consent forms for participants under 18 years. Photographic consent forms for each participant must be returned with registrations by the 25<sup>th</sup> September.
4. Performers will be judged on their performance (one original song is preferable) professionalism and efficiency in setting up equipment and hand over within timeframes.
5. A judging panel will determine three artists from both heats to perform in the finale at the Woden Valley Festival in Edison Park on the 31<sup>st</sup> October.
6. The winning performers will be announced following the Lift Off 09 finale.
7. All events are a drug and alcohol free environment. All performers are required to partake in a breathalysing test prior to their performance. Any person affected by drugs or alcohol will be required to leave the premise immediately and disqualified from the competition.
8. Please complete and return registrations, consent forms and a song recording to Woden Youth Centre, 29 Callam Street, Woden or post to PO Box 35, Woden, ACT, 2606 by close of business on the 25<sup>th</sup> September 09. Performers will need to provide identification to verify age requirement.
