Curtin

Woden Community Service acknowledges the Ngunnawal people as the traditional owners and custodians of this land and their continuing connection to land and community. We also acknowledge Aboriginal and Torres Strait Islander peoples who have come from other nations to live on Ngunnawal land. We pay our respects to their cultures, ancestors and Elders past, present and future.

WEEK 01

WEEK 02

MON

A Wheelie Good Start to the Holidays!

Today is all about wheels, including: bikes and scooters, unboxing new Lego with wheels; and a Remote Control Car to play with. If you don't have a scooter or helmet, don't worry, we have some you can use during the day.

Bring a bike or scooter, a helmet, and (if you have one) a Remote Control Car

The Great Outdoors

Bring a tent and try daytime camping. Really, it's just an outdoor cubby. For lunch, we'll walk to a local playground for a picnic. We'll also create some artworks on the theme of nature, inspired by Cubism. (Note- we've requested beautiful weather from the BoM. Fingers crossed!)

Bring a picnic blanket and small tent (if you are able to)

TUE

Brought to you by the letters 'A' and 'P'

EXCURSION Let's Play Indoor Playground including Lasertag Activities today are painting (and drawing) inspired by American artist Jim Dine, patterns in a collaborative mural inspired by another American artist ThankYouX.

**Bring socks for the indoor playground
Be here by 8:30 am for the excursion**

You're the Boss!

EXCURSION Movie: Boss Baby 2 (2021), Limelight

Today's afternoon activities are decided by YOU! If you'd like to run them too, even better. You've got 6 days to plan. This is an exercise in creativity and teamwork. Start thinking...

**Bring ideas!
Be here by 8:30 am for the excursion**

WED

Together or Separate?

Dance with your own headset during our Silent Disco, or you can just relax to the sounds. Help choose the songs. We'll make mosaics where you combine separate pieces paper to make striking artworks. We'll celebrate our diversity of style by making a Giant Jigsaw puzzle, where everyone makes a puzzle piece.

Bring your best dancing shoes

Hanging Around

It sounds like a relaxing day but it certainly is not. We'll have a low slackline and top-rope for tightrope walking. We'll make artworks of animals that hang e.g. bats, snakes and sloths. A group mobile. A hammock. (Actually, the hammock does sound pretty relaxing - well, we all need balance.)

Bring shoes suitable for tight-rope walking i.e. sneakers

THUR

Most Wanted

EXCURSION Movie: Muppets Most Wanted (2014), NFSA

What else do children say is 'most wanted'? Icecream! So we're walking to the shops to buy a Frozen Yoghurt or a Paddle Pop. We'll also create icecream artworks.

**No need to bring money - we'll shout the treat
Be here by 8:30 am for the excursion**

All about moi!

EXCURSION Movie: The Muppets (2011), NFSA

Miss Piggy refers to herself as 'moi' and today is all about 'moi': shadow box self-portraits; selfie opportunities with watercolour wings and a huge hot air balloon collage

**Bring an empty cereal box for the shadow box portrait
Be here by 8:30 am for the excursion**

FRI

Spaced Out

It's science with a space theme. Construct and fire rockets with launchers from Mt. Stromlo. Make fizzing moon rocks. Create your own galaxy (real or imagined). Mold clay alien figurines.

Bring an old shirt or smock for the craft and science activities

Things that make you say 'Woah!', 'Ooh!', and 'Ha!'

Science experiments with cola and mentos. Woah! Colourful explorations of surface tension. Ooh! Ferocious folding creatures. Funny portraits with speech balloons. Ha!

Bring an old shirt or smock for the science activities
