Woden Community Service acknowledges the Ngunnawal people as the traditional owners and custodians of this land and their continuing connection to land and community. We also acknowledge Aboriginal and Torres Strait Islander peoples who have come from other nations to live on Ngunnawal land. Outdoor Fun Play

Children are natural scientists. They are born exploring their surroundings; they will pick up a rock, locate a bug, and pluck a flower, and they will even wonder why the grass is green and the sky is blue, and they will play with breakable things inside. This holiday, we're stepping back and letting the kids explore the outdoors on their own.

Excursion – To BOUNCE

This holiday we are going back to BOUNCE, which was the most loved and requested excursion from our children. They loved the X-park ninja course, slam Dunk, wall climbing, and trampolines, among others.

Excursion: Bus leaves at 12:30 PM | Return 3:30 PM

Wednesday | 04/10/23

Bake-Off Competition

Adding a twist to traditional baking activities by experimenting with shape, color, smell and taste. We are going to make it less competitive by having each person follow a different recipe - such as using different flours and flavors for cakes or pizzas. That way we can judge the recipe, not the chef!

Cooking activity starts from 10AM | Please wear comfortable cloths

Thursday | 05/10/23

In-service Skate and Roller Board Day

Balancing is essential to the art of skating but not everyone is born with it. We are helping children who loves to try the skate and roller board have the good balance and practice until they get it right. Regular practice gradually improves the balance postures that they would not ordinarily get from daily activity.

Please wear comfortable cloths and get a helmet if possible
