

Evelyn Scott School Holiday Program: Winter 2022

Woden Community Service acknowledges the Ngunnawal people as the traditional owners and custodians of this land and their continuing connection to land and community. We also acknowledge Aboriginal and Torres Strait Islander peoples who have come from other nations to live on Ngunnawal land. We pay our respects to their cultures, ancestors and Elders past, present and future.

Children are like flowers, and during SHP, the flowers combine to form a lovely garden.
Please join us in making yet another lovely garden at Evelyn Scott July SHP.

MON

Children's Choice Monday Fun-Day! (11/07/2022)

Today we will be led by the children's ideas and interests and enjoy lots of unstructured play! Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning. Play is the work of childhood, and each child has a unique imagination and experience of the world.

Today is all about children's choice, so come with your ideas!

TUE

Multicultural Cuisine (05/07/2022)

This special Holiday Program day will feature four different cuisines for our children to sample! Join us in tasting the culture in every bite and learning about the places different foods come from!

STEM Experiences (15/07/2022)

"Children need the freedom to appreciate the infinite resources of their hands, their eyes and their ears, the resources of form, materials, sounds and colours." Let children experience first hand how it feels to build something and own it!
