

Margaret Hendry OSHC School Holiday Program Summer 2022-23

Woden Community Service acknowledges the Ngunnawal people as the traditional owners and custodians of this land and their continuing connection to land and community. We also acknowledge Aboriginal and Torres Strait Islander peoples who have come from other nations to live on Ngunnawal land. We pay our respects to their cultures, ancestors and Elders past, present and future.

WEEK 01

WEEK 02

MON

Going Green day 19.12.2022

Put your creative gloves on to decorate your own pot with acrylic paints. Choose the seeds to grow in your pot and watch them grow over the holiday period or take the pot home to look after. Get your brains ready to go on a Nature Scavenger hunt later.

Any donation of seeds from home would be kindly accepted!

POLICIES AND GUIDELINES

Please note:

- Policies and procedures for transporting children are in place and available at the service with every risk management plan or by request.
- Risk management plans for excursions and incursions are available at the program or by request.
Please ensure you are signing permission forms prior to the excursion day if possible.
- Please make sure to bring your child/ren 10 minutes before the expected time to leave so that children get to know about their educator and any other information they need to know before leaving.
- Please make sure to inform us about any known absences in advance so that we can offer that place to someone else in need.
- Please pack a small picnic bag for the Excursions as it would be easy for the children to carry.
- Easy to eat lunches such as sandwiches, Sushi or wraps are preferable for the excursions

Technology Day Details:

- At arrival children's devices would be labelled by the staff and we would record the details of the device .
- The children would be divided into small groups according to their age for Animation lessons and then they would be provided a set time to spend on their device.
- Educators would be supervising and supporting the children the whole time when children would be engaged on their devices.
- Please make sure to recharge your child's device before bringing it to the service as we won't be able to provide different charging cables at the service.
- Upon collection, the device will be returned to the family and signed out. When not in use, devices will be stored in a locked filing cabinet in the office. Although WCS will make every effort to store the device safely and securely, we take no responsibility for any personal devices brought to the program.
- If you do not have a device, or do not want to bring one, service tablets will be available for shared child use. Children can also collaborate on personal devices.
