Grow & Go Adventures

Torrens OSHC

Grow & Go Adventures is a holiday program designed for children who love being outdoors!

This program was inspired by our survey results from children and families. Each day, the children will get their hands dirty in gardening activities, learning how plants grow and discovering the joys of nature. They will also have the chance to get active with a variety of sports and outdoor games, building teamwork, coordination, and confidence along the way.

From soccer games led by educators to nature walks and starting our Torrens OSHC garden (in the garden beds at Blue Playground), there's always something exciting happening outside. This program offers the perfect mix of learning, play, and adventure, giving children the chance to explore, grow, and enjoy some fresh air.
