

Get ready for a Holiday program full of splashes, laughter, and fun. Every day this school holidays is Water Play Day!

Children will have the chance to explore a range of exciting water-based activities including epic water fights, creative water games, and free play with sprinklers, buckets, and water toys.

Each day will offer something new, encouraging teamwork, imagination, and sensory exploration through play.

This project is all about celebrating summer, staying active, and enjoying time outdoors with friends while keeping cool. Educators will also weave in learning moments about water safety, sustainability, and the importance of caring for our environment.

Please remember to pack a spare change of clothes, a towel, a hat, and plenty of water to drink each day. Children will get wet, and that's all part of the fun!

Let's make a splash and enjoy a weeks of water-filled adventures together!

Colour me in!

Fri, 30 Jan 2026

Service closed

No Programs will be running today

Program Notes

Policies and procedures for transporting children and risk management plans for excursions and incursions are in place and available at the service or upon request.

Families will be emailed ASAP if a planned activity cannot proceed due to unforeseen events or a change in excursion or incursion schedules.

Please ensure you arrive at the programme at least 20 minutes before the excursion departure times and sign the permission form, which will be available upon entry or at the sign-in table.

Morning tea and lunch will need to be brought from home. Please avoid nuts, seafood, and fish products if possible, as our service may have children who are anaphylactic to these ingredients attending.

An Afternoon Tea snack will be provided by the service.

If an outdoor outing is delayed because of rain, a wet weather plan is ready to make sure there are enough indoor activities for that day.
