Full S.T.E.A.M Ahead!

Wanniassa OSHC

This holiday season, we're bringing STEM to life with LEGO builds, robotics kits, and the power of Brick It. Creativity will meet code and imagination.

But that's not all. We'll be getting messy (on purpose!) in our giant art splatter tent, think MythBuster style gear, spray tents, drop sheets, and BIG bursts of colour.

It's wild, it's creative, and it's unforgettable. Build it. Code it. Paint it. Blast it. This spring, we're going all out in every way.
