Long-Term Projects

Sunscreen Station

We will be building a sunscreen station out of recycled materials such as pallets.

We will be working on this from the 11th April 2023 through to the 21st April 2023.

The station will be used as a place for children to store their OSHC hats and for them to be able to correctly apply sunscreen, with the use of mirrors.

The station will be built out of wood and will have wheels so it will be movable and accessible for all.
