Woden Community Service

Woden Community Service (WCS) has been operating since 1969. Originally focussed on supporting the Woden community, WCS now provides services throughout the ACT.

WCS provides services across all age groups and throughout the community, from early learning to aged care services, supporting mental health and wellbeing, responding to homelessness, assisting those living with disability, working with families and young people, engaging communities while supporting those who are vulnerable.

Woden Community Hub

Woden Community Service's partnership with Westfield Woden has created a central, versatile and inclusive space that fosters community connection, collaboration, and the delivery of essential services to the local community.

A variety of rooms are available for hire and can be configured for your workshop, activity or event.
